(1) Per $1,000 principal amount of Notes validly tendered and accepted for purchase (the “Early Tender Premium”).

The Tender Offers will expire at 12:00 midnight, New York City time, at the end of the day on August 23, 2019, unless extended with respect to either or both series of Notes (such date and time, as the same may be extended, the “Expiration Time”) or earlier terminated by Owens Corning.

Holders who properly tender and do not withdraw their Notes at or prior to 5:00 p.m., New York City time, on August 9, 2019, unless extended with respect to either or both series of Notes (such date and time, as the same may be extended, the “Early Tender Time”) or earlier terminated by Owens Corning, will be eligible to receive the applicable Total Tender Offer Consideration (as defined in the Offer to Purchase), which includes the applicable Early Tender Premium as set forth in the table above. The applicable total consideration for each $1,000 principal amount of Notes validly tendered and accepted for purchase will be determined in the manner described in the Offer to Purchase by reference to the applicable fixed spread over the bid-side yield of the applicable reference security, calculated as of 10:00 a.m., New York City time, on August 12, 2019. Holders of Notes who validly tender and do not withdraw their Notes after the Early Tender Time and at or prior to the Expiration Time will be eligible to receive only the applicable Late Tender Offer Consideration, which is equal to the applicable Total Tender Offer Consideration minus the applicable Early Tender Premium.

For Notes tendered at or prior to the Early Tender Time, not subsequently validly withdrawn and accepted for purchase, Owens Corning has the option for settlement to occur on the Early Settlement Date (as defined in the Offer to Purchase), which is expected to be August 13, 2019, the second business day following the Early Tender Time. Settlement for Notes tendered after the Early Tender Time, but at or prior to the Expiration Time, is expected to occur on August 27, 2019, the
In addition, all Notes accepted for purchase will be entitled to receipt of accrued and unpaid interest in respect of such Notes from the last interest payment date to, but excluding, the applicable settlement date.

Subject to the Maximum Tender Amount, the application of the Acceptance Priority Levels and the other terms and conditions described in the Offer to Purchase, Owens Corning intends to accept for purchase all Notes validly tendered and not validly withdrawn at or prior to the Early Tender Time. However, if the Tender Offers are fully subscribed as of the Early Tender Time, Holders who validly tender their Notes after the Early Tender Time will not have any of their Notes accepted for purchase. Notes validly tendered at or prior to the Early Tender Time will be accepted for purchase in priority to the other Notes tendered after the Early Tender Time even if such Notes tendered after the Early Tender Time have a higher Acceptance Priority Level than the Notes tendered at or prior to the Early Tender Time. As a result, each Holder who validly tenders Notes pursuant to the Tender Offers may have a portion of its Notes returned to it, and the amount of Notes returned will depend on the level of participation of Holders in the Tender Offers. The Tender Offers may be subject to proration if the aggregate principal amount of Notes that is validly tendered is greater than the Maximum Tender Amount.

Consummation of the Tender Offers and payment for the tendered Notes is subject to the satisfaction or waiver of certain conditions described in the Offer to Purchase, including the condition that Owens Corning has completed a public offering of a series of its unsecured senior debt securities that closes no later than the Expiration Time (the “Public Offering”) on terms and subject to conditions reasonably satisfactory to Owens Corning (the “Financing Condition”), as well as other customary conditions. Subject to applicable law, Owens Corning has reserved the absolute right, in its sole discretion, to at any time (i) waive any and all conditions to either or both of the Tender Offers, (ii) extend, terminate or withdraw either or both of the Tender Offers, (iii) increase or waive the Maximum Tender Amount or (iv) otherwise amend either or both of the Tender Offers in any respect.
